Elements of Community Resilience
group harvest
involving in planning
Communities
Supplies need to be culturally sensitive
PREPAREDNESS
cell phone backup
earthquakes
flooding
storms
3 ways
3 days
Plan
PLAN for 2 Weeks!
make a plan for underserved
trained in
CPR
What can you do every day?
Preparedness
incorporate information with "intake"
culturally appropriate
rural areas, too
different needs
deliver the messages out to these people too.
HUB SYSTEM
would this work for "them"?
agencies need to reach out to other communities
diverse populations
immigrants
religious groups
diversity within these Communities!
SHARE the CITY PLANS
Communication plan
where to go
where to get help
YOUTH
involve them in planning and Communication
School districts, too
CAMPS DAYCAMPS
kids~
extra H2O
out-of-state contact#
Parks + Rec become Champions
Captioning on TV
everyone benefits
prioritizing for vulnerable populations
drills
include vulnerable Populations as victims/Leaders
effective Communication
different Populations
2016 Vulnerable Populations Disaster Planning Conference
