

## Volunteer for open boards and commissions in the 5th District

Have you been looking for a way to give back to your community? We've got ample opportunities in the [5th Council District!](#)

Serving on one of our many boards and commissions is an excellent way to stay involved in county government as well as find personal satisfaction knowing that you're helping to make a difference in your community. I'm confident that we'll see these openings fill up sooner rather than later, so if you are interested you should get your application in now.

Vacancies in the 5th District include:

- [Conservation Futures Program Advisory Board](#) – evaluates presentations that maybe eligible for acquisitions through the Conservation Futures program, which acquires threatened areas of open space, timber lands, wetland, habitat areas, agricultural and farm lands within the boundaries of Pierce County in order to protect and preserve it.
- [Landmarks and Historic Preservation Commission](#) – carries out the Pierce County Historic Preservation Program as a Certified Local Government in historic preservation, and provides recommendations on matters related to Pierce County heritage to the County Executive and Council.
- [Land Use Advisory Commission](#) – makes recommendations regarding updates to community plans, monitor the progress made in implementation of community plan policies, and reviews applications for proposed developments within the represented community for which a public hearing is required.
- [Parks and Recreation Citizens' Advisory Board](#) – advises the Parks and Recreation Department concerning its general operations and capital projects, as well as the needs and interest of the citizens of the community.

Other boards and commission vacancies not specific to the 5th District include:
