Dear Property Owner,

This reminder is intended to help you avoid property tax interest charges of 1% per month and a 3% penalty on June 1st, 2021. These charges are required by Washington State Law for all delinquent amounts. **Our records indicate your property taxes are delinquent.** The sooner you pay the outstanding tax, the fewer additional charges you will have.

Note: If you mailed your first-half payment, and have no older year delinquencies, your payment may still be in process and you can ignore this reminder.

IMPORTANT: Look up your parcel on our website www.piercecountywa.gov/atr to determine the correct amount to pay. Because of interest already added, **it will NOT be the same amount shown on the tax statement** that you received in February. Payment can also be made by credit card, debit or E-check on our website. If you have questions, please use the “live chat” feature on our website, or call us at (253) 798-6111.

Housing counseling and legal assistance may be available at little or no cost to you. For more information, please contact the statewide homeownership hotline toll free at 1-877-894-HOME (4663).

Sincerely,
Mike Lonergan
