NEW BUSINESS

**Shoreline Substantial Development Permit / Shoreline Conditional Use Permit / Shoreline Variance:
Minter Creek Hatchery / Minter Creek Hatchery
Application Numbers: 958670, 958671, 958669**

Applicant: Minter Creek Hatchery

Planner: Robert Perez, robert.perez@piercecountywa.gov

Request: Bring hatchery intakes up to state and federal standards with the following actions:

Remove: 1) a portion of the historic fish management structure in Minter Creek; and 2) the lower intake and weir and restore area.

Replace: 1) the upper surface water intake; 2) the upper weir and fish ladder; and 3) the pipe under the access road with two pipes and conduit.

Add: 1) a two-celled sediment pond; 2) a mechanical building to house compressor and intake controls; and 3) riprap and wood structures at a bend in the stream that is impacting the access road.

Located at 12710 124th Avenue Court NW, Gig Harbor, in the Rural Sensitive Resource zone classification, the High Intensity Shoreline Environment, the Key Peninsula Community Plan area, and Council District 7.

AGENT COMMENT

Doug Wiedemeier, Planner WDFW, Agent, addressed the commission and answered questions.

COMMISSION QUESTIONS/DISCUSSION

- Question on where the shoreline stabilization was occurring.
- What will the total estimate of this project be?
- What is an intake, in the context of this project?
- The water coming down hill is to help alleviate the loss of electricity.
- What species and the number of fish are being produced?

PUBLIC COMMENT

None

Public comment closed.

Motion made (Jensen/Clinton) to recommend approval of the application as presented. ***Motion passed.***

LUAC Training

Staff presented a short presentation and refresher training in LUAC meeting procedures.
