BETHEL SCHOOL DISTRICT NO. 403
PIERCE COUNTY, WASHINGTON

RESOLUTION NO. 10(21-22)

A RESOLUTION of the Board of Directors of Bethel School District No. 403, Pierce County, Washington, providing for the submission to the voters of the District at a special election to be held on February 8, 2022, of a proposition authorizing an excess tax levy to be made annually for four years commencing in 2022 for collection in the years 2023 through 2026 in the aggregate total amount of \$24,400,000 for the District's Capital Projects Fund to support the continued modernization of school facilities by making certain technology improvements; designating the District's Chief Financial Officer and special counsel to receive notice of the ballot title from the Auditor of Pierce County, Washington; and providing for related matters.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF BETHEL SCHOOL DISTRICT NO. 403, PIERCE COUNTY, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Directors (the "Board") of Bethel School District No. 403, Pierce County, Washington (the "District"), takes note of the following facts and makes the following findings and determinations:

(a) Calendar year 2022 is the last year of collection of the District's current four-year Capital Projects Fund technology tax levy, which was authorized pursuant to Resolution No. 04(17-18), adopted by the Board on November 14, 2017, and approved by the voters at a special election held and conducted within the District on February 13, 2018.

(b) The District's instructional programs and the existing condition of technology equipment and infrastructure require the District to support the continued modernization of school facilities by making certain technology improvements, all as more particularly defined and described in Section 2 herein (collectively, the "Projects").

(c) With the expiration of the District's current four-year Capital Projects Fund technology tax levy, it appears certain that the money in the District's Capital Projects Fund will be insufficient to permit the District to continue funding technology improvements and pay costs of the Projects, and that it is necessary that a replacement excess tax levy of \$5,800,000 be made in 2022 for collection in 2023, \$6,000,000 be made in 2023 for collection in 2024, \$6,200,000 be made in 2024 for collection in 2025, and \$6,400,000 be made in 2025 for collection in 2026 for the District's Capital Projects Fund to provide the money required to pay costs of the Projects.

(d) The proposed four-year Capital Projects Fund technology tax levy authorized in this resolution will replace the District's expiring four-year Capital Projects Fund technology tax levy.

(e) Pursuant to Article VII, Section 2(a) of the Washington Constitution and Revised Code of Washington ("RCW") 84.52.053, the District may submit to its voters at a special election,

for their approval or rejection, a proposition authorizing the District to levy annual excess property taxes to pay costs of the Projects.

(f) The best interests of the District's students and other inhabitants require the District to continue funding technology improvements and carry out and accomplish the Projects.

Section 2. Description of the Projects. The Projects to be paid for with the excess property taxes authorized herein are more particularly defined and described as follows:

(a) Acquire and install technology equipment and infrastructure; replace and upgrade computers, personal computing devices, hardware, software and telecommunication systems; provide related staff training and support to implement such technology improvements; improve cybersecurity systems; and make other technology improvements and upgrades throughout existing school facilities, all as determined necessary and advisable by the Board. The foregoing technology equipment, infrastructure, improvements and upgrades shall be part of the District's integrated technology systems and facilities for instruction and research.

(b) Acquire, construct and install all necessary furniture, equipment, apparatus, accessories, fixtures and appurtenances in or for the foregoing, all as determined necessary and advisable by the Board.

(c) Pay costs associated with implementing the foregoing technology equipment, infrastructure, improvements and upgrades, including, but not limited to, acquiring, constructing and installing hardware and licensing software, online applications and training related to the installation of the foregoing, all as determined necessary and advisable by the Board. Such costs constitute a part of the Projects and also include, but are not limited to, ongoing fees for online applications, subscriptions, or software licenses, including upgrades and incidental services, and ongoing training related to the use, installation and integration of these products and services, all as determined necessary and advisable by the Board. The hardware, software or applications shall be an integral part of the District's technology systems and facilities for instruction and research.

(d) Pay incidental costs incurred in connection with carrying out and accomplishing the Projects. Such incidental costs constitute a part of the Projects and include, but are not limited to: (1) payments for fiscal and legal costs; (2) costs of establishing and funding accounts; (3) necessary and related engineering, architectural, planning, consulting, permitting, inspection and testing costs; (4) administrative and relocation costs; (5) site improvement costs; (6) demolition costs; (7) costs related to demolition and/or deconstruction of existing school facilities to recycle, reclaim and repurpose all or a portion of such facilities and/or building materials; (8) costs of on and off-site utilities and road improvements; and (9) costs of other similar activities or purposes, all as determined necessary and advisable by the Board.

The Projects, or any portion or portions thereof, shall be acquired or made insofar as is practicable with available money and in such order of time as shall be determined necessary and advisable by the Board. The Board shall determine the application of available money between the various parts of the Projects so as to accomplish, as near as may be, all of the Projects. The Board shall determine the exact order, extent and specifications for the Projects. The Projects are to be more fully described in the plans and specifications to be filed with the District.

Section 3. Calling of Election. The Auditor of Pierce County, Washington, as *ex officio* Supervisor of Elections (the “Auditor”), is requested to call and conduct a special election in the manner provided by law to be held in the District on February 8, 2022, for the purpose of submitting to the District’s voters, for their approval or rejection, the proposition authorizing a replacement Capital Projects Fund technology excess property tax levy on all of the taxable property within the District (the assessed value of such representing 100% of true and fair value unless specifically provided otherwise by law) to be made annually for four years commencing in 2022 for collection in 2023 of \$5,800,000, the estimated dollar rate of tax levy required to produce such an amount being \$0.31 per \$1,000 of assessed value, in 2023 for collection in 2024 of \$6,000,000, the estimated dollar rate of tax levy required to produce such an amount being \$0.31 per \$1,000 of assessed value, in 2024 for collection in 2025 of \$6,200,000, the estimated dollar rate of tax levy required to produce such an amount being \$0.31 per \$1,000 of assessed value, and in 2025 for collection in 2026 of \$6,400,000, the estimated dollar rate of tax levy required to produce such an amount being \$0.31 per \$1,000 of assessed value, all in excess of the maximum tax levy allowed by law for school districts without voter approval. The exact tax levy rate may be adjusted based upon the actual assessed value of the taxable property within the District at the time of the tax levy.

Section 4. Use of Taxes. If the proposition authorized by this resolution is approved by the requisite number of voters, the District will be authorized to levy the excess property taxes provided in this resolution to pay costs of the Projects, all as may be authorized by law and determined necessary and advisable by the Board. Pending the receipt of those taxes, the District may issue short-term obligations pursuant to chapter 39.50 RCW or contract indebtedness pursuant to RCW 28A.530.080. Upon receipt, the District may use those taxes to repay such short-term obligations or indebtedness, all as may be authorized by law and determined necessary and advisable by the Board.

Section 5. Sufficiency of Taxes. If the excess property taxes authorized herein are more than sufficient to carry out the Projects, or should state or local circumstances require any alteration in the Projects, the District may apply such taxes to other capital purposes, or reduce or eliminate the excess property tax levies authorized herein, all as the Board may determine by resolution and as permitted by law.

If the Board determines that it has become impractical to accomplish the Projects or any portion thereof by reason of state or local circumstances, including changed conditions or needs, regulatory considerations, incompatible development or costs substantially in excess of those estimated, or for any other reason determined by the Board, the District will not be required to accomplish such Projects and may apply the excess property taxes authorized herein or any portion thereof to other capital purposes of the District, or reduce or eliminate the excess property taxes authorized herein, all as the Board may determine by resolution and as permitted by law. In the event that the excess property taxes, plus any other money of the District legally available therefor, are insufficient to accomplish all of the Projects, the District may use the available money for paying the cost of that portion of the Projects that the Board determines most necessary and in the best interests of the District.

Notwithstanding anything in this resolution to the contrary, the excess property taxes authorized herein may be used only to support the construction, modernization or remodeling of school facilities.

Section 6. Form of Ballot Title. Pursuant to RCW 29A.36.071, the Pierce County Prosecuting Attorney is requested to prepare the concise description of the aforesaid proposition for the ballot title in substantially the following form:

PROPOSITION NO. 2

BETHEL SCHOOL DISTRICT NO. 403

all as provided in Resolution No. 10(21-22). Should Proposition No. 2 be approved?

LEVY . . . YES

LEVY . . . NO

Section 7. Authorization to Deliver Resolution to Auditor and Perform Other Necessary Duties. The Secretary to the Board (the “Secretary”) or the Secretary’s designee is authorized and directed to: (a) present a certified copy of this resolution to the Auditor no later than December 10, 2021; and (b) perform such other duties as are necessary or required by law to submit to the District’s voters at the aforesaid special election, for their approval or rejection, the proposition authorizing the District to levy annual excess property taxes to pay costs of the Projects.

Section 8. Notices Relating to Ballot Title. For purposes of receiving notice of the exact language of the ballot title required by RCW 29A.36.080, the Board hereby designates (a) the District’s Chief Financial Officer (Bryan Verley), telephone: 253.800.2211; email: bverley@bethelsd.org; and (b) special counsel, Foster Garvey P.C. (Jim McNeill), telephone: 206.447.5339; email: jim.mcneill@foster.com, as the individuals to whom the Auditor shall provide such notice. The Secretary is authorized to approve changes to the ballot title, if any, determined necessary by the Auditor or the Pierce County Prosecuting Attorney.

Section 9. Execution; General Authorization and Ratification. This resolution may be executed by the Directors being present and voting in favor of the resolution, or only the President of the Board (the “President”), and attested by the Secretary, in tangible medium,

manual, facsimile or electronic form under any security procedure or platform, and notwithstanding any other District resolution, rule, policy or procedure, or in any other manner evidencing its adoption. The Secretary, the District's Chief Financial Officer, the President, and the District's Special Counsel, Foster Garvey P.C., are hereby further severally authorized and directed to take such actions and to create, accept, execute, send, use and rely upon such tangible medium, manual, facsimile or electronic documents, records and signatures under any security procedure or platform, and notwithstanding any other District resolution, rule, policy or procedure, as in their judgment may be necessary or desirable to effectuate the provisions of this resolution. All actions taken prior to the effective date of this resolution in furtherance of and not inconsistent with the provisions of this resolution are ratified and confirmed in all respects.

Section 10. Severability. If any provision of this resolution is declared by any court of competent jurisdiction to be invalid, then such provision shall be null and void and shall be separable from the remaining provisions of this resolution and shall in no way affect the validity of the other provisions of this resolution or of the levy or collection of excess property taxes authorized herein.

Section 11. Effective Date. This resolution takes effect from and after its adoption.

ADOPTED by the Board of Directors of Bethel School District No. 403, Pierce County, Washington, at a special open public meeting, of which due notice was given as required by law, held this 23rd day of November, 2021.

EXPLANATORY STATEMENT

PROPOSITION NO. 2 – REPLACEMENT LEVY FOR TECHNOLOGY IMPROVEMENTS

Passage of Proposition No. 2 would help Bethel School District support the continued modernization of school facilities by making certain technology improvements, including, but not limited to: acquiring and installing instructional technology equipment and infrastructure; replacing and upgrading computers, personal computing devices, hardware, software and telecommunication systems; providing related staff training and support to implement such technology improvements; and improving cybersecurity systems. Further information is available at <https://www.bethelsd.org/>. The proposed four-year levy will replace the District's current levy approved by the voters in 2018 that expires at the end of 2022.

The proposed replacement levy would authorize collection of taxes to provide up to \$5,800,000 in 2023, \$6,000,000 in 2024, \$6,200,000 in 2025 and \$6,400,000 in 2026. The tax levy rate required to produce these levy amounts is estimated to be \$0.31 per \$1,000 of assessed value. The exact tax levy rate and amounts to be collected may be adjusted based upon the limitations imposed by State law at the time of the levy. Exemptions from taxes may be available, call Pierce County Assessor at 253.798.2169.
