

**Substantial Amendment to 2021 One Year Action Plan
Notice of 30-Day Public Comment Period and Public Hearing
CDBG-CV1 and CDBG Funds**

Notice

Pierce County Human Services is making a substantial amendment to the department's 2021 One Year Action Plan for two Community Development Block Grant (CDBG-CV1 and CDBG) projects that were funded during the 2020 program year.

About the CDBG-CV1 and CDBG Funds

The Metropolitan Development Council was originally awarded \$282,082 of CDBG-CV1 funds during the 2020 program year for their HUB engagement Site project. The agency declined the funds, and this substantial amendment is to award the amount of \$282,082 to Habitat for Humanity's Housing Counseling & Mortgage Assistance program. The CDBG-CV1 funds was part of a special allocation of funds that HUD released to Pierce County to be used to prevent, prepare for, and respond to COVID-19. In addition, LASA's Low-Income Housing Rehab project was awarded \$60,603 of 2020 CDBG funds but due to rising construction costs, the award will not cover the project expenses. This amendment is to add \$52,160 of 2020 CDBG funds, for a total award of \$112,763.
