

Pierce County Sheriff Marine Services Unit

Boating Advisory Commission Meeting

April 25, 2022, Location: PSSP

Attendees and Absentees

- Attendees: Sgt. Daren Witt, Commission Members: Adam Gregorich, Duane Bratvold, Jeffrey Lincoln, Sandy Williamson, Steve Mitchell, Susan Kydd
- Absentees: Det. Monti Monion

Orders of Business

1. Review Ordinance 2021-75s passed by County Council 9/21/21 – this outlines the Council's expectations for the newly reformed BAC. Clarify purpose, responsibilities, and authorities. Discuss and identify roles and responsibilities for:
 - a. BAC Commissioners
 - b. BAC Support Staff
 - c. Commission member Lincoln asked about placement of new buoys in Lake Tapps. A discussion was had regarding how currently buoys are purchased, placed, and maintained.
 - d. Commission member Kydd asked about breakwaters being placed near the Dyke 4 designated rafting areas.
 - e. Commission member Gregorich asked about changing speed restriction laws in county code and if that would change Bonney Lakes municipal laws due to their adoption of county codes regarding watercraft laws.
2. Jurisdiction and Venues were discussed. An example was given about the entrance to the Church Lake area from the main portion of Lake Tapps and creating a possible no wake zone there. It has been determined that area is outside the venue and within the city limits of Bonney Lake subject to Bonney Lake Municipal code.
3. Commission member Kydd suggested other members email the chair with a list of concerning areas and the top three concerns could be added to the agenda.

Upcoming Topics

4. Upcoming scheduled meetings
 - a. Rescheduling of March's missed public meeting for 5/23/22
