

Rink Music Player

We are so excited to announce the rollout of our Sprinkler Rink Music system!

Below you will find general information on how to purchase tags, manage your Rink Music account & subscription, along with other important information.

What is Rink Music

Rink Music is a system that allows skaters to upload their music onto a key tag and play it simply by scanning it onto the RinkMusic system inside the arena.

Skater tags are sold for \$10 at the Control Room (wristband included).

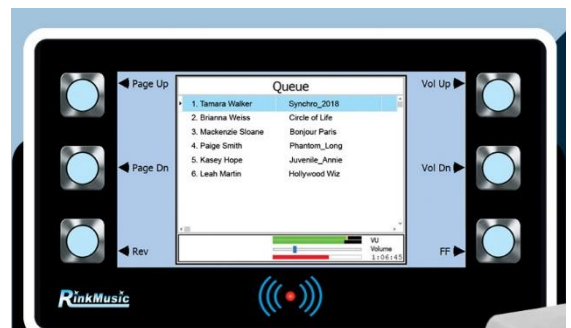

Join RinkMusic at and upload your programs. https://rinkmusic.com/main_login.php

Create a membership (subscribe) - Select Sprinkler Recreation Center. Each key tag has a keytag number on the back of the tag. You will need this information to register. Instructions on how to create your account, subscription options & how to upload music can be found here.

Subscription levels:

Basic	This allows upload of 5 songs	\$10
Gold	10 Songs	\$20
Platinum	20 Songs	\$30
Diamond	36 Songs	\$36

You can exchange selections of music within your subscription.

How to Play Your Uploaded Program

1. Go to rinkside console (on the glass in front of scorers box)
2. Swipe your Key Tag over the RED button at the bottom center of the console
3. Press the Page Up and Down buttons on the left with your finger to select your program if you have more than one.
4. Volume up and down buttons are on the right.

Features:

- The key tag allows you to play any of your stored music programs.
- Automatic music program queuing.
- Your music is digitally stored on the the RinkMusic System.
- Position in the queue is displayed on the rinkside console when your RinkMusic keytag is presented. It will let you know which skater you follow. Once your name is announced you have 8 seconds to get to your spot.

Effective June 20th, this will be the only acceptable way to play music on a freestyle session.
