

empowerment through hands on education

2ND CYCLE

A 4-week program where youth get the opportunity to explore the world of cycling. They will learn how to repair bikes, name the parts, diagnose problems, how to use a variety of tools, and learn to ride safely.

DURATION

Fridays from 6 to 8 pm

4 Weeks

Dates:

INSTRUCTIONS

Snacks will be provided.

Transportation will be provided on a limited basis.

MISSION

To demystify and normalize bike riding as a part of daily life and realize the bicycle as a tool for personal and community empowerment.

Please contact Suly Gonzales at (253) 625-6443 or Payton Clements at (253) 312-5390 with questions

The work the youth do in the program goes to help support the mission and those bikes will be used to help support the community.
