[piercecountywa.gov/housing](http://piercecountywa.gov/housing)

## AGING AND DISABILITY

Our **Family Caregiver Support** program provides services to unpaid caregivers and their loved ones.

**Case Management** supports seniors and disabled individuals by accessing services they need to remain in their own home.

**The Aging and Disability Resource Center (ADRC)** provides information and referrals to community-based long-term services and supports to older adults and individuals with disabilities. Services include nursing, drug education, in-home care coordination, fall prevention, home delivered meals, foot care, dementia support, and much more!

253-798-4600  
[pierceADRC.org](http://pierceADRC.org)

## DEVELOPMENTAL DISABILITIES

**Developmental Disabilities** contracts with community agencies to provide services and is responsible for offering information and education, Early Support for Infants and Toddlers (ESIT), and employment and community access programs for adults 21 and older.

[piercecountywa.gov/DD](http://piercecountywa.gov/DD)

## BEHAVIORAL HEALTH

Our **Behavioral Health** division coordinates a regional system to identify gaps in service, forge partnerships, drive innovation, provide accountability and pay for vital services.

[piercecountywa.gov/bhp](http://piercecountywa.gov/bhp)

**Mental Health Crisis Hotline**  
Call 9-8-8 or Text 741-741

## EARLY CHILDHOOD

We offer free pre-school through our **Early Childhood Education and Assistance Program (ECEAP)**. ECEAP provides 3 and 4 year old children with socialization activities, developmental screenings, nutritional meals, and outdoor play.

The **ChildReach** program provides developmental screenings for tribal children aged birth to six.
