**Purpose:** This policy adds a recreational park trailer as a permitted temporary housing unit for family.

**Discussion:** Phase 4 Code Consolidation inadvertently removed park trailers as permitted temporary housing units for family members. To remedy this oversight, PALS will use the following language to administer PCC 18A.38.050 D.2.c.:

“The temporary housing unit must bear the HUD 3280 seal for mobile and manufactured homes or have a seal provided by the State of Washington and meet the current version of the ANSI recreational park trailer A119.5 standard of construction.”
