

PIERCE COUNTY WATERBORNE TRANSPORTATION STUDY

ADVISORY GROUP MEETING 4 AGENDA

Wednesday, March 11, 2015, 1:30-3:30pm
Steilacoom Town Hall, 1717 Lafayette Street

MEETING PURPOSE

We are at a key juncture in the project where we are transitioning from the situation assessment to the evaluation of policy and service options and eventual selection of a preferred path forward. As a result, this meeting will use a different format than the previous meetings.

After providing a brief update on the project since last month's meeting, the focus of this meeting will be to solicit ideas and feedback from the Advisory Group on scenarios and options for evaluation **using a facilitated workshop format** led by BERK staff. As such, this meeting will focus on two main objectives:

- Review and discuss the approach to options evaluation and proposed evaluation criteria.
- Fully discuss the range and type of potential future ferry service and policy options to ensure that we are "casting a wide net" prior to beginning the sorting and evaluation process.
