*The small number of ballots reported on 2/2/16 is a result of the Post Office's two day delivery standard and processing changes. These changes result in lower mail volumes on Tuesdays. The Post Office assured us that all mail was delivered. Tuesday was not a scheduled ballot drop box pick-up day.

Note: Turnout on this report is based on the cumulative number of ballots received (including challenged ballots) to the total number of registered voters in this election.
