Tacoma, WA 98405

Host: Peter Ansara, Director of Pierce County Community Connections

Facilitators: Timothy Corey, Colibri Facilitation

Topic: **Pierce County Integrated Community Behavioral Health Plan**

This is the first of three meetings to help us prepare a high level action plan and framework for mental health services in Pierce County. The goal of our first meeting will be to describe our overarching purpose for funding: what change do we want to see in the county around mental health issues and services. In subsequent meetings we will start figuring out what that could and should be as we develop the framework (who, what, resources, etc.)

Please come prepared with your most visionary ideas, open minds and ready to work.

Agenda

1. Welcome (10:00 – 10:05)
2. Introductions and Overview (10:05 – 10:20)
3. Why are we doing this: focusing on our compelling purpose (10:40 – 11:30)
4. What are the immediate next steps we need to take to develop this plan? (11:30 – 11:45)
5. Close and noticing the power of our network (11:45 – 12:00)
