Topic: **Pierce County Integrated Community Behavioral Health Plan**

This is our second of three meetings to help us prepare a high-level plan of action for the 1/10 of 1% funding for mental health in Pierce County. The goal of our first meeting was to describe our overarching purpose for the funding: what change do we want to see in the county around mental health issues and services. In this meeting we are going to narrow down and prioritize the key things that would be most useful and legal to fund. Please come prepared with your most visionary ideas, open minds and ready to work.

Agenda

1. Recap and Reconnect
2. Revisit the Draft Purpose
3. Working on our Four Priority Areas – What should this money fund? What can it legally fund? How do we prioritize?
4. Next Meeting/Next Steps
