

## SHORELINE EROSION HAZARD GEOTECHNICAL LETTER FORMAT

Include this heading on letter:

### SHORELINE EROSION HAZARD GEOTECHNICAL LETTER

Include this section identifying the parcel and date of the assessment.

Geological Assessment prepared on *(date(s))* for Parcel number(s), // Located at *(Site Address)*

Include a brief description of the project and site that can be compared with the submitted application.

The following paragraph must be completed and included exactly as follows:

The services described in this report were prepared under the responsible charge of *(Individual's Name)*. *(Individual's name)* meets the qualifications contained in section 18E.110.030 to prepare a geological assessment. *(Individual's Name)* understands the requirements of the current Erosion Hazard Area Chapter 18E.110 and the definitions of the applicable terms contained within Chapter 18.25. Individuals under the responsible charge of *(Individuals Name)* have performed a shoreline erosion hazard geological assessment, conducted a field investigation and researched available historic records on the above referenced site. In my opinion, the scope of services completed for this project is adequate to meet the requirements of this Title and it does not appear that an active shoreline erosion hazard area exists within 200 feet of the site.
