

**PIERCE COUNTY PLANNING AND PUBLIC WORKS
WETLAND SPECIALISTS LIST - FISHERIES AND WILDLIFE BIOLOGISTS**

Revised 11/30/22

Section 18.25.030 requires that all wetland specialists and fisheries/wildlife biologists who submit work to the County meet minimum qualifications. The following list contains the names of the currently qualified specialists. You may choose one of these or, alternatively, have a different wetland specialist, fisheries or wildlife biologist of your choice submit their qualifications to Pierce County for review and possible approval. After approval by the County, they will be added to the list of qualified specialists.
