FISCAL SERVICES MANAGER

Department: Multiple  
Job Class #: 152500  
Pay Range: Professional 09  
FLSA: Exempt  
Represented: No

Classification descriptions are intended to present a descriptive list of the range of duties performed by employees in this class and are not intended to reflect all duties performed within the job.

GENERAL FUNCTION
The Fiscal Services Manager is responsible for the independent planning, designing, implementing of fiscal services, programs, projects and policies which comply with the department’s policies and legal requirements. This position may involve highly technical accounting work and supervisory responsibilities. Work is typically performed under the general direction of the department head; however the employee is expected to exercise independent judgment, and make decisions within established policies and procedures. If existing guidelines may not be clearly applicable, the employee is expected to exercise creativity and judgment in adapting standards, methods and procedures to handle various circumstances. Work is reviewed by the director through supervisory conferences, reports, and by overall evaluation of results achieved.

TYPICAL DUTIES/RESPONSIBILITIES
- Coordinates and supervises all aspects of department budget.
- Assists in hiring of fiscal staff.
- Supervises and coordinates activities of fiscal support employees.
- Responsible for coordination and implementation of staff training and supervision.
- Determines work procedures and schedules and methods of expediting work flow.
- Supervises data collection for the preparation of financial reports on departmental activities.
- Controls expenditures in accordance with budget allocations.
- Reviews proposed expenditures to determine compliance with allocated budget expenditures and recommends approval or disapproval of expenditures while keeping department head informed.
- Provides information and advice concerning specialized or technical services required by fiscal staff.
- Analyzes operating procedures to devise most efficient methods of accomplishing work.
- Recommends implementation of new financial systems and may install system and train personnel in application.
- Assists in development of request for proposals and provides budget support.
- Recommends subordinates for reassignment, promotion, transfer.
- Prepares and conducts employee performance evaluations.
- Ensures internal audits of fiscal records are conducted and participates in provider audits and site visits.
- Prepares annual budget for the department head’s approval, and submission to County Executive and Council.
- Performs other related tasks as assigned.

Clerk’s Office Only:
- Supervises collection of statutory fees and fines to be held in separate trusts as directed by court order, receipt and disbursement of funds and child support payments.
- Responsible for maintaining accountability of superior and juvenile court fees, fines, investments.
