Call to Order

Cynde Rivers called the meeting to order at 8:03am. Introductions were made and previous meeting minutes were provided, voted on and accepted as written.

Unfinished Business:

A. Last Comments (no changes)

The large size is to be done by the end of January; Pierce County IT is working on an App. February 1 is the target date for the soft roll-out with full implementation beginning May 1.

Laurelee is getting bids on printing the small version.

Regarding training materials, Tim Lookabaugh is working on them. He requests everyone send him their ideas and he will pass them on to Jeff. Chris Rock asked if training will be ready by February 1. Cynde replied that it'll be based on when we get the final/final copy. There was a motion made to accept the final version by email, instead of waiting until the next meeting. This was unanimously approved.

B. Election for Chair and Vice-Chair

Cynde and Sam Yount were nominated in the last meeting. Nominations were opened for any additional nominees, but there were none. The motion was made and approved unanimously to keep Cynde as the Chair and then again to keep Sam as the Vice-Chair.

Unscheduled Business:

There was a question about PAM classes. Tacoma Fire and CPFR will be having them in March, 2017.

Also, Bill Barber has a question about getting tubes in the OR. Chris Rock said his people were able to do well at Allenmore, averaging 5 tubes in 10 days. He suggested going through Jolita Perez.
