PCTV COMMUNICATIONS MANAGER

Department: Communication
Job Class: 104600
Pay Range: Executive 05

FLSA Status: Exempt
Represented: No

Classification descriptions are intended to present a descriptive list of the range of duties performed by employees in this class and are not intended to reflect all duties performed within the job.

GENERAL FUNCTION: This is highly responsible administrative and management work in the Department of Communications. An employee in this classification is responsible for managing the daily operations of the Rainier Communications Commission (RCC) and Pierce County TV (PCTV), which provide video production, assistance to member jurisdictions on telecommunications issues, and use of government access channel(s) on cable television systems. This position is similar to the general manager of private television stations.

ESSENTIAL FUNCTIONS:

- Manage the operation of the government and education channels, including PCTV, University Place TV, the channel serving Clover Park Technical College, and other channels as assigned.
- Manage and participate in the development and distribution of award-winning videos for PCTV members and partners that showcase important decisions and debates and tell stories about people, places and events in our communities.
- Manage the presence and expansion of PCTV video services online.
- Work with RCC members to evaluate and adjust the business model to ensure the organization’s stability during a time of change and uncertainty in the cable and PEG channel industries.
- Recruit, develop and maintain contract agreements to provide video services and/or cable franchise negotiations to area jurisdictions and agencies. This includes attracting new jurisdictions to join the RCC or contract for project work, and ensuring that existing members see the value of their membership.
- Oversee cable company compliance with local franchises.
- Advise RCC members regarding national, state and local telecommunications issues, including rights-of-way and other policies and decisions that may impact cable franchises, and recommend opportunities for regional cooperation in telecommunications.
- Provide excellent customer service with an emphasis on cable complaint resolution, consumer protection and franchise and agreement administration.
- Develop and execute the approved annual budget for the RCC and PCTV, including grants and related accounting and fiscal work. Assist with developing budgets for UPTV and other channels as assigned.
- Manage the inventory, lifecycle and budget for video, broadcasting, and other equipment for PCTV.
- Manage production hours, program sharing and channel schedules for RCC members.
- Manage the daily operations of the RCC and PCTV staff. Ensure staff members are trained and remain current in their proficiency and expertise. Such duties include, but are not limited to, managing staff schedules, leaves, evaluations, discipline and performance measures.
- Appear before the RCC and county and city councils to present information about the RCC and PCTV.
- Represent the organization at national, state and local meetings, conferences and public appearances regarding telecommunications and video production services.
- Establish training and guidelines for RCC members to best utilize PCTV facilities and equipment.
- Maintain a mutually beneficial relationship with the RCC’s landlord, Clover Park Technical College.
- Maintain regular, predictable and punctual attendance during regularly scheduled work hours.
- Work a flexible schedule, which may include evenings, weekends and holidays, and involves some travel.
- Ensure consistent interpretation of laws, rules, policies and procedures.
- Meet travel requirements of the position.
• Perform the physical requirements of the position; work within the established working conditions of the position.

KNOWLEDGE, SKILLS AND ABILITIES:

Extensive knowledge of:
• Using video to tell stories.
• Cable television, programming and video technology, including studio production.
• Preparing and executing a multi-program budget.

General knowledge of:
• Fiscal management, administrative procedures and relevant laws and regulatory agency requirements including federal, state and local laws, rules and regulations.
• Sound fiscal programs and budgeting processes necessary to manage assets to ensure that budget constraints and timelines are met.
• The roles of various government agencies, jurisdictions and elected officials in the community.
• Principles and practices of public administration, organization and employee supervision.
• Contracting policies and procedures.
