EXPANDING Transportation Options

Need a Ride? Get a Ride.

Many people who travel in Pierce County require assistance getting from one place to another because they lack the resources to provide their own transportation. This includes seniors, people with disabilities, people with low income, and youth ages 12 - 18.

PCCTC member organizations work to remove transportation barriers for these residents, enabling them to get to jobs, school, medical appointments, social activities and more.

PCCTC's mission is to create a coordinated system where individuals with limited transportation options can access the services they need regardless of their physical, cultural, economic, or geographic status.

So anyone who needs a ride can get a ride!
