Medical Program Director

April 20, 2010

MEMORANDUM

TO: All EMS Agencies

FROM: Dr. Clark M. Waffle, M.D., M.P.D.

RE: St. Anthony Hospital

As of today, April 20, 2010, St. Anthony Hospital is able to take dialysis patients. Any patients who would need dialysis for their medical care or has dialysis as a secondary issue to their medical care can be transported to St. Anthony Hospital.

If there are concerns or questions regarding this matter, please contact me at your earliest convenience.
