## GENERAL INFORMATION

---

Located in central Pierce County, 21 miles southeast of Tacoma, Pierce County Airport-Thun Field functions as a key community transportation and emergency services facility. With Mt. Rainier only 25 miles to the southeast, Thun Field offers spectacular scenery from both the ground and the air. Pilots and aviation enthusiasts alike appreciate the location, the facilities, and the beautiful views of Thun Field.

The runway at Thun Field, measuring 3,650 feet long by 60 feet wide, is capable of handling all general aviation aircraft, from light sport to small business jets.

For more information about Public Works, please access the website at [www.piercecountywa.org/pwu](http://www.piercecountywa.org/pwu).

## SCOPE OF WORK

---

Pierce County Airport - Thun Field is soliciting proposals from interested firms to operate an aviation fuel concession from facilities owned by Pierce County. Pierce County desires an operator with experience in the operation of such facilities and will require the facility to be operated in a safe and environmentally responsible manner. Any concessionaire may propose to operate the fuel concession based on the specific requirements set forth in this RFP.

Pierce County will not entertain a proposal that requests exclusivity for fueling concessions at Pierce County Airport - Thun Field.

The existing facility consists of two underground tanks, each with a capacity of 10,000 gallons, with approximately 1,500 unusable gallons due to a floating suction device. The operator will maintain all above-ground equipment such as dispensers (installed in 2010), hoses, grounding wire, kiosk, lights, windsock, inspections, Veeder Root computer system, etc. Pierce County will maintain all underground equipment such as the tanks.

**GENERAL CONDITIONS**1. Scope of Contractor's Services:

The Contractor agrees to provide to the County services and any materials set forth in the project narrative identified as Exhibit "A" during the Agreement period. No material, labor, or facilities will be furnished by the County, unless otherwise provided for in the Agreement.

2. Accounting and Payment for Contractor Services:

Payment to the Contractor for services rendered under this Agreement shall be as set forth in Exhibit "B." Where Exhibit "B" requires payments by Pierce County, payment shall be based upon billings, supported unless otherwise provided in Exhibit "B," by documentation of units of work actually performed and amounts earned, including where appropriate, the actual number of days worked each month, total number of hours for the month, and the total dollar payment requested. Unless specifically stated in Exhibit "B" or approved in writing in advance by the official executing this Agreement for Pierce County, (hereinafter referred to as the "Contracting Officer"), the County will not reimburse the Contractor for any costs or expenses incurred by the Contractor in the performance of this contract.

Where required, the County shall, upon receipt of appropriate documentation, compensate the Contractor, no more often than monthly, through the County voucher system for the Contractor's service pursuant to the fee schedule set forth in Exhibit "B."

3. Assignment and Subcontracting:

No portion of this contract may be assigned or subcontracted to any other individual, firm or entity without the express and prior written approval of the Contracting Officer.

4. Labor Standards and Contract Assistance:

The Contractor shall comply with the provisions of Exhibit "C", attached hereto, titled "Contract Compliance For Professional, Technical, Supply or Services".

5. Independent Contractor:

The Contractor's services shall be furnished by the Contractor as an independent Contractor and nothing herein contained shall be construed to create a relationship of employer-employee or master-servant, but all payments made hereunder and all services performed shall be made and performed pursuant to this Agreement by the Contractor as an independent Contractor.

The Contractor acknowledges that the entire compensation for this Agreement is specified in Exhibit "B" and the Contractor is not entitled to any County benefits including, but not limited to: vacation pay, holiday pay, sick leave pay, medical, dental, or other insurance benefits, or any other rights or privileges afforded to Pierce County employees. The Contractor represents that he/she/it maintains a separate place of business, serves clients other than the County, will report all income and expense accrued under this contract to the Internal Revenue Service, and has a tax account with the State of Washington Department of Revenue for payment of all sales and use and Business and Occupation taxes collected by the State of Washington.

Contractor will defend, indemnify and hold harmless the County, its officers, agents or employees from any loss or expense, including but not limited to settlements, judgments, setoffs, attorneys' fees or costs incurred by reason of claims or demands because of breach of the provisions of this paragraph.

6. No Guarantee of Employment:

The performance of all or part of this contract by the Contractor shall not operate to vest any employment rights whatsoever and shall not be deemed to guarantee any employment of the Contractor or any employee of the Contractor or any subcontractor or any employee of any subcontractor by the County at the present time or in the future.

7. Taxes:

The Contractor understands and acknowledges that the County will not withhold Federal or State income taxes. Where required by State or Federal law, the Contractor authorizes the County to make withholding for any taxes other than income taxes (i.e., Medicare). All compensation received by the Contractor will be reported to the Internal Revenue Service at the end of the calendar year in accordance with the applicable IRS regulations. It is the responsibility of the Contractor to make the necessary estimated tax payments throughout the year, if any, and the Contractor is solely liable for any tax obligation arising from the Contractor's performance of this Agreement. The Contractor hereby agrees to indemnify the County against any demand to pay taxes arising from the Contractor's failure to pay taxes on compensation earned pursuant to this Agreement.

The County will pay sales and use taxes imposed on goods or services acquired hereunder as required by law. The Contractor must pay all other taxes including, but not limited to: Business and Occupation Tax, taxes based on the Contractor's gross or net income, or personal property to which the County does not hold title. The County is exempt from Federal Excise Tax.

8. Regulations and Requirement:

This Agreement shall be subject to all laws, rules, and regulations of the United States of America, the State of Washington, and political subdivisions of the State of Washington, and to any other provisions set forth in Exhibit "D."

9. Right to Review:

This contract is subject to review by any Federal or State auditor. The County or its designee shall have the right to review and monitor the financial and service components of this program by whatever means are deemed expedient by the Contracting Officer. Such review may occur with or without notice, and may include, but is not limited to, on site inspection by County agents or employees, inspection of all records or other materials which the County deems pertinent to the Agreement and its performance, and any and all communications with or evaluations by service recipients under this Agreement. The Contractor shall preserve and maintain all financial records and records relating to the performance of work under this Agreement for 3 years after contract termination, and shall make them available for such review, within Pierce County, State of Washington, upon request.

10. Modifications:

Either party may request changes in the Agreement. Any and all agreed modifications shall be in writing, signed by each of the parties.

11. Termination for Default:

If the Contractor defaults by failing to perform any of the obligations of the contract or becomes insolvent or is declared bankrupt or commits any act of bankruptcy or insolvency or makes an assignment for the benefit of creditors, the County may, by depositing written notice to the Contractor in the U.S. mail, postage prepaid, terminate the contract, and at the County's option, obtain performance of the work elsewhere. If the contract is terminated for default, the Contractor shall not be entitled to receive any further payments under the contract until all work called for has been fully performed. Any extra cost or damage to the County resulting from such default(s) shall be deducted from any money due or coming due to the Contractor. The Contractor shall bear any extra expenses incurred by the County in completing the work, including all increased costs for completing the work, and all damage sustained, or which may be sustained by the County by reason of such default.

If a notice of termination for default has been issued and it is later determined for any reason that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to the Termination for Public Convenience paragraph hereof.

12. Termination for Public Convenience:

The County may terminate the contract in whole or in part whenever the County determines, in its sole discretion, that such termination is in the interests of the County. Whenever the contract is terminated in accordance with this paragraph, the Contractor shall be entitled to payment for actual work performed at unit contract prices for completed items of work. An equitable adjustment in the contract price for partially completed items of work will be made, but such adjustment shall not include provision for loss of anticipated profit on deleted or uncompleted work. Termination of this contract by the County at any time during the term, whether for default or convenience, shall not constitute a breach of contract by the County.

13. Defense & Indemnity Agreement:

The Contractor agrees to defend, indemnify and save harmless the County, its appointed and elected officers and employees, from and against all loss or expense, including but not limited to judgments, settlements, attorney's fees and costs by reason of any and all claims and demands upon the County, its elected or appointed officials or employees for damages because of personal or bodily injury, including death at any time resulting therefrom, sustained by any person or persons, and for damages to property including loss of use thereof, whether such injury to persons or damage to property is due to the negligence of the Contractor, his/her Subcontractors, its successor or assigns, or its or their agent, servants, or employees, the County, its appointed or elected officers, employees or their agents, except only such injury or damage as shall have been occasioned by the sole negligence of the County, its appointed or elected officials or employees.

The preceding paragraph is valid and enforceable only to the extent of the Contractor's negligence where the damages arise out of services or work in connection with or collateral to, a contract or agreement relative to construction, alteration, repair, addition to, subtraction from, improvement to, or maintenance of, any building, highway, road, railroad, excavation, or other structure, project, development, or improvement attached to real estate, including moving and demolition in connection therewith, a contract or agreement for architectural, landscape architectural, engineering, or land surveying services, or a motor carrier transportation contract and where the damages are caused by or result from the concurrent negligence of (i) the County or its agents or employees, and (ii) the Contractor or the Contractor's agents or employees."

The Contractor shall, at the Contractor's own expense, maintain, with an insurance carrier authorized or eligible under RCW Chapter 48.15 to do business in the State of Washington, with minimum coverage as outlined below, commercial automobile liability insurance, and either commercial general liability insurance, or, if any services required by the contract must be performed by persons authorized by the State of Washington, professional liability insurance:

|   |  |
|---|--|
| <u>Commercial Automobile Liability</u>  | Bodily Injury Liability and Property Damage Liability Insurance \$1,000,000 each occurrence <u>OR</u> combined single limit coverage of \$2,000,000, with not greater than a \$1000.00 deductible.     |

| <u>Professional Liability Insurance</u> | Shall include errors and omissions insurance providing \$1,000,000.00 coverage with not greater than a \$5,000.00 deductible for all liability which may be incurred during the life of this contract. |

Pierce County shall be named as an additional insured on all required policies except professional liability insurance, and such insurance as is carried by the Contractor shall be primary over any insurance carried by Pierce County. The Contractor shall provide a certificate of insurance to be approved by the County Risk Manager prior to contract execution, which shall be attached to the contract.

Such insurance policies or related certificates of insurance shall name the Pierce County as an additional insured on all general liability, automobile liability, employers' liability, and excess policies. The Contractor may comply with these insurance requirements through a program of self insurance that meets or exceeds these minimum limits. The Contractor must provide Pierce County with adequate documentation of self insurance prior to performing any work related to this contract and treat the County as an insured under the indemnity agreement. #### 15. Industrial Insurance Waiver

With respect to the performance of this Agreement and as to claims against the County, its officers, agents and employees, the Contractor expressly waives its immunity under Title 51 of the Revised Code of Washington, the Industrial Insurance Act, for injuries to its employees and agrees that the obligations to indemnify, defend and hold harmless provided in this Agreement extend to any claim brought by or on behalf of any employee of the Contractor. This waiver is mutually negotiated by the parties to this Agreement.

#### 16. Venue and Choice of Law:

In the event that any litigation should arise concerning the construction or interpretation of any of the terms of this Agreement, the venue of such action of litigation shall be in the courts of the State of Washington in and for the County of Pierce. This Agreement shall be governed by the law of the State of Washington.

**17. Withholding Payment:**

In the event the Contracting Officer determines that the Contractor has failed to perform any obligation under this Agreement within the times set forth in this Agreement, then the County may withhold from amounts otherwise due and payable to Contractor the amount determined by the County as necessary to cure the default, until the Contracting Officer determines that such failure to perform has been cured. Withholding under this clause shall not be deemed a breach entitling Contractor to termination or damages, provided that the County promptly gives notice in writing to the Contractor of the nature of the default or failure to perform, and in no case more than 10 days after it determines to withhold amounts otherwise due. A determination of the Contracting Officer set forth in a notice to the Contractor of the action required and /or the amount required to cure any alleged failure to perform shall be deemed conclusive, except to the extent that the Contractor acts within the times and in strict accord with the provisions of the Disputes clause of this Agreement. The County may act in accordance with any determination of the Contracting Officer which has become conclusive under this clause, without prejudice to any other remedy under the Agreement, to take all or any of the following actions: (1) cure any failure or default, (2) to pay any amount so required to be paid and to charge the same to the account of the Contractor, (3) to set off any amount so paid or incurred from amounts due or to become due the Contractor. In the event the Contractor obtains relief upon a claim under the Disputes clause, no penalty or damages shall accrue to Contractor by reason of good faith withholding by the County under this clause.

**18. Future Non-Allocation of Funds:**

Notwithstanding any other terms of this Agreement, if sufficient funds are not appropriated or allocated for payment under this contract for any future fiscal period, the County will not be obligated to make payment for services or amounts after the end of the fiscal period through which funds have been appropriated and allocated, unless authorized by county ordinance. No penalty or expense shall accrue to the County in the event this provision applies.

**19. Contractor Commitments, Warranties and Representations:**

Any written commitment received from the Contractor concerning this Agreement shall be binding upon the Contractor, unless otherwise specifically provided herein with reference to this paragraph. Failure of the Contractor to fulfill such a commitment shall render the Contractor liable for damages to the County.
