Payment for the work will be authorized by the Program Supervisor and be made to the Contractor within twenty five (25) working days of an acceptable final inspection by County Staff. Payment by the County is subject to receipt of funds from the Federal, State, and Local Agencies that support the Home Repair, Weatherization, and Energy Assistance Programs. If the County cannot make payments to the contractor due to nonpayment from the Funding Agencies the failure to pay from the County shall not constitute a breach of contract.

Subject to the terms and conditions of this Agreement, the Contractor must submit a Contract Payment Request Form on a monthly basis within twenty one (21) working days following the month in which the Contractor has incurred expenditures for services and costs as outlined in this Agreement. The amount requested must be supported by actual costs incurred and paid for by the contractor/vendor. The County must issue payment no later than twenty five (25) working days after the receipt of complete and accurate billing information as determined by the County. The submission of incomplete or inaccurate billing information may delay the reimbursement process, and shall not be considered a breach of contract.

Due to County fiscal year and contract close out requirements, the Contractor must submit final Contract Payment Request for the month of December and the final billing for the contract based on a schedule determined by the County. Failure to follow the year end and final invoice instructions may result in a delayed payment or nonpayment for the given month. A W-9 Form must be completed, signed, and included with the acceptance of this agreement.

Future Non-Allocation of Funds:

Unless specifically stated in Exhibit "B" or approved in writing in advance by the official executing this Agreement for Pierce County, (hereinafter referred to as the "Contracting Officer",) the County will not reimburse the Contractor for any costs or expenses incurred by the Contractor in the performance of this contract.

Where required, the County shall, upon receipt of appropriate documentation, compensate the Contractor, no more often than monthly, through the County voucher system for the Contractor's service pursuant to the fee schedule set forth in Exhibit "B."

2. Independent Contractor:

The Contractor's services shall be furnished by the Contractor as an independent Contractor and nothing herein contained shall be construed to create a relationship of employer-employee or master-servant, but all payments made hereunder and all services performed shall be made and performed pursuant to this Agreement by the Contractor as an independent Contractor.

The Contractor acknowledges that the entire compensation for this Agreement is specified in Exhibit "B" and the Contractor is not entitled to any County benefits including, but not limited to: vacation pay, holiday pay, sick leave pay, medical, dental, or other insurance benefits, or any other rights or privileges afforded to Pierce County employees. 4. Taxes:

The Contractor understands and acknowledges that the County will not withhold Federal or State income taxes. Where required by State or Federal law, the Contractor authorizes the County to make withholding for any taxes other than income taxes (i.e., Medicare). All compensation received by the Contractor will be reported to the Internal Revenue Service at the end of the calendar year in accordance with the applicable IRS regulations. It is the responsibility of the Contractor to make the necessary estimated tax payments throughout the year, if any, and the Contractor is solely liable for any tax obligation arising from the Contractor's performance of this Agreement. The Contractor hereby agrees to indemnify the County against any demand to pay taxes arising from the Contractor's failure to pay taxes on compensation earned pursuant to this Agreement.

The County will pay sales and use taxes imposed on goods or services acquired hereunder as required by law. The Contractor must pay all other taxes including, but not limited to Business and Occupation Tax, taxes based on the Contractor's gross or net income, or personal property to which the County does not hold title. The County is exempt from Federal Excise Tax.

The Contractor's obligation to indemnify, defend, and hold harmless shall not be eliminated by any actual or alleged concurrent negligence of Pierce County, the Department of Housing and Urban Development, and the State of Washington's Department of Commerce, or their agents, agencies, employees and officers, except as provided below.
- b. The Contractor agrees that the obligation to indemnify, defend, and hold Pierce County, the Department of Housing and Urban Development, and the State of Washington's Department of Commerce harmless as provided above extends to any claim brought on behalf of any employee of the Contractor and its subcontractors or consultants. - d. The Contractor shall bear sole responsibility for damage to completed portions of the project and to property located off the project caused by erosion, siltation, run-off, or other related items arising during construction of the project. The Contractor shall also bear sole responsibility for any pollution of rivers, streams, ground water, or other waters which may occur as a result of construction operations.

The Contractor shall exercise all necessary precautions throughout the life of the project to prevent pollution, erosion, siltation, and damage to property.

- e. In addition to any other remedy authorized by law, the County may retain so much of the money otherwise due the Contractor as deemed necessary by the County to ensure indemnification until disposition has been made of such suits or claims under subject to the provisions of this section.

EXHIBIT E - LABOR STANDARDS REQUIREMENTS AND PREVAILING WAGE RATES

(Prevailing Wage Applicable)

1. MINIMUM WAGE RATES FOR LABORERS, WORKMEN AND MECHANICS

- A. This section specifies the Minimum Prevailing Wage Requirements and other Labor Standards Requirements which are applicable to this Agreement. Prevailing wage rates and fringe benefits established by the State Department of Labor and Industries pursuant to RCW 39.12 are applicable to this project. A copy of those rates is incorporated at the conclusion of this Agreement.
- B. All laborers and mechanics employed or working upon the site will be paid those rates and benefits unconditionally, not less often than once a week, and without subsequent deduction or rebate on any account, except such payroll deductions as permitted by law or authorized by the employee. In addition, certain crafts where work is normally performed within a firm's shop (for example, custom cabinets, and sheet metal fabrication) require the payment of prevailing wage rates established by the State Department of Labor and Industries.
- C. Provisions of State Labor Standards Law (RCW 39.12) state in part that:

"The hourly wages to be paid laborers, workman or mechanics, upon all public works and under all public building service maintenance contracts of the state or any county, municipality or political subdivision created by its laws, shall not be less than the prevailing rate of wages for an hour's work in the same trade or occupation in the locality within the state where such labor is performed..."
- D. The contractor and each subcontractor shall, on or before the date of commencement of work, file an Intent To Pay Prevailing Wage form with Pierce County, under oath and approved by the Washington State Department of Labor and Industries, certifying each classification of laborers, workmen or mechanics employed upon the public work by the contractor or subcontractor and the rate of hourly wages and benefits paid, which shall not be less than the applicable State prevailing wage rates.
- E. Such statement and any subsequent statements (including the Affidavit of Wages Paid form) shall be filed in accordance with the practices and procedures required by the State Department of Labor and Industries. The contractor and its subcontractors shall pay all required fees for submittal and processing of such statements directly to the State Department of Labor and Industries.

NOTE: Until an approved copy of the Intent To Pay Prevailing Wage form is provided to the County for each project contractor, the County is prohibited by law from releasing any payment to the contractor for the work performed under this Agreement.

2. UNDERPAYMENTS OF WAGES OR BENEFITS

Wage restitution will be promptly made for underpayment of State prevailing wages and/or benefits by the contractor, or any subcontractor, to such laborers or mechanics when directed to do so by Pierce County or by the State of Washington Department of Labor & Industries.

Where the contractor or subcontractor fails to make prompt restitution when directed to do so by the County, in addition to such other rights as may be afforded it under this Agreement, may withhold from the contractor, out of any payments due them, so much of that payment as Pierce County may consider necessary to pay those laborers or mechanics the full amount of the prevailing wages and/or benefits required by this Agreement. The amount so withheld may be disbursed by Pierce County, for and on account of the contractor or the subcontractor, directly to the respective laborer(s) or mechanic(s) to whom the same is due, and the County may pay on their behalf an amount equal to such underpaid fringe benefits to approved benefit plans, funds, programs or trusts.

3. FRINGE BENEFITS

- A. Under Washington State law and regulations, fringe benefits owed to laborers and mechanics may be paid in a variety of ways. Benefits may be paid directly to laborers and mechanics as an addition to their hourly wage. They may also be paid to any union to which the laborer or mechanic belongs if authorized by a collective bargaining agreement to that effect. They may also be paid to a trustee or other third person, if a plan or program specifying such payments is pre-approved by Pierce County, and the affected employee(s) voluntarily agree to participate in the plan. Or, finally, benefits may be paid as some combination of the above.
- B. In the case of any benefit program, Pierce County requires the submittal of records showing employees involved in the plan, dollar and cent amounts paid to the program(s) for each employee, billings from the benefit program companies and payment records to those companies by the contractor.

4. FRINGE BENEFITS NOT EXPRESSED AS HOURLY WAGE RATES

Pierce County requires, whenever the minimum wage rates prescribed in the public works contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly wage rate, and whenever the contractor is obligated to pay the cash equivalent of such a fringe benefit, that an hourly cash equivalent be established for that class of laborer or mechanic, and be listed on the approved Statement of Intent to Pay Prevailing Wages form, approved by the State of Washington Department of Labor & Industries.

5. OVERTIME COMPENSATION

- A. Laborers or mechanics (including watchmen or guards) employed under this Agreement shall be compensated for any overtime earned for work in excess of eight (8) hours in any calendar day or forty
- B. (40) hours in any calendar week at a rate not less than one and one-half (1 ½) times the basic rate of pay for all hours worked in excess of eight (8) hours in any calendar day or in excess of forty (40) hours in any calendar week, as the case may be.
- C. Overtime need not be paid when a laborer or mechanic works more than eight (8) hours in a calendar day where the employee's union or the employee him/herself has expressly authorized the contractor or subcontractor to work a ten (10) hour day, four (4) day week. In that event, no work is to be performed beyond ten (10) hours in any calendar day and any work in excess of the forty (40) hour week shall be considered overtime to be paid as noted above.
- D. For any underpayment or failure to pay overtime compensation owed in accordance with the above, the contractor or subcontractor responsible for such underpayment or failure to pay overtime compensation shall be liable to any affected employee for his/her unpaid overtime. In the event that contractor or subcontractor fails to make prompt restitution to the affected laborer or mechanic when so directed by the County, Pierce County may, in addition to such other rights as may be afforded it under the Agreement, withhold or cause to be withheld, from any monies payable on account of work performed by the contractor or subcontractor, such sums as Pierce County may consider necessary to pay the overtime due such laborers and mechanics. The amount so withheld may be disbursed by Pierce County, for and on account of the contractor or subcontractor, directly to the respective laborers and mechanics.

6. EMPLOYMENT OF APPRENTICES/TRAINEES

- A. Apprentices and trainees will be permitted to work at less than the prevailing rate for the work they perform when they are employed and individually registered in a bona fide apprenticeship or training program registered with the State Labor and Industries apprenticeship agency. Individuals employed in the first ninety (90) days of probationary employment as an apprentice or trainee in such an apprenticeship and training program, who are not individually registered in the program, but who have been certified by the State apprenticeship agency to be eligible for probationary employment as an apprentice or trainee may also be permitted to work at less than the prevailing wage rate. The allowable ratio of apprentices or trainees to journeymen in any craft classification shall not be greater than the ratio permitted to the contractor as to his/her entire work force under the registered program.

The Grantee waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend, and hold harmless the State and its agencies, officers, agents, or employees.

The parties intend that an independent Grantee relationship will be created by this Grant. The Grantee and its employees or agents performing under this Grant are not employees or agents of the state of Washington or Commerce. 28. RECORDS MAINTENANCE (Performance Measures)

The Grantee shall maintain all books, records, documents, data and other evidence relating to this Grant and performance of the services described herein, including but not limited to accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Grant.

The Grantee shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the Grant, shall be subject at all reasonable times to inspection, review or audit by Commerce, personnel duly authorized by Commerce, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been finally resolved.

31. SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Grant and prior to normal completion, Commerce may terminate the Grant under the "Termination for Convenience" clause, without the ten business day notice requirement. In lieu of termination, the Grant may be amended to reflect the new funding limitations and conditions.

While on Commerce premises, Grantee, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

34. SUBGRANTING/SUBCONTRACTING

The Grantee may only subcontract work contemplated under this Grant if it obtains the prior written approval of Commerce.

If Commerce approves subcontracting, the Grantee shall maintain written procedures related to subcontracting, as well as copies of all subcontracts and records related to subcontracts. The Grantee is responsible to Commerce if the Subcontractor fails to comply with any applicable term or condition of this Grant. The Grantee shall appropriately monitor the activities of the Subcontractor to assure fiscal conditions of this Grant. In no event shall the existence of a subcontract operate to release or reduce the liability of the Grantee to Commerce for any breach in the performance of the Grantee’s duties.

Every subcontract shall include a term that Commerce and the State of Washington are not liable for claims or damages arising from a Subcontractor's performance of the subcontract.

35. SURVIVAL

The terms, conditions, and warranties contained in this Grant that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Grant shall so survive.

37. TERMINATION FOR CAUSE

In the event Commerce determines the Grantee has failed to comply with the conditions of this Grant in a timely manner, Commerce has the right to suspend or terminate this Grant. Before suspending or terminating the Grant, Commerce shall notify the Grantee in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days, the Grant may be terminated or suspended.

In the event of termination or suspension, the Grantee shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original Grant and the replacement or cover Grant and all administrative costs directly related to the replacement Grant, e.g., cost of the competitive bidding, mailing, advertising and staff time.

Commerce reserves the right to suspend all or part of the Grant, withhold further payments, or prohibit the Grantee from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Grantee or a decision by Commerce to terminate the Grant. A termination shall be deemed a "Termination for Convenience" if it is determined that the Grantee: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The rights and remedies of Commerce provided in this Grant are not exclusive and are, in addition to any other rights and remedies, provided by law.

38. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Grant, Commerce may, by ten (10) business days written notice, beginning on the second day after the mailing, terminate this Grant, in whole or in part. 39. TERMINATION PROCEDURES

Upon termination of this Grant, Commerce, in addition to any other rights provided in this Grant, may require the Grantee to deliver to Commerce any property specifically produced or acquired for the performance of such part of this Grant as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

Commerce shall pay to Grantee the agreed upon price, if separately stated, for completed work and services accepted by Commerce, and the amount agreed upon by the Grantee and Commerce for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by Commerce, and (iv) the protection and preservation of property, unless the termination is for default, in which case the Authorized

Representative shall determine the extent of the liability of Commerce. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this Grant. Commerce may withhold from any amounts due the Grantee such sum as the Authorized Representative determines to be necessary to protect Commerce against potential loss or liability.

The rights and remedies of Commerce provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Grant.

After receipt of a notice of termination, and except as otherwise directed by the Authorized Representative, the Grantee shall:

- a) Stop work under the Grant on the date, and to the extent specified, in the notice;
- b) Place no further orders or subgrants/subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the Grant that is not terminated;
- c) Assign to Commerce, in the manner, at the times, and to the extent directed by the Authorized Representative, all of the rights, title, and interest of the Grantee under the orders and subgrants/subcontracts so terminated, in which case Commerce has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subgrants/subcontracts;

Title to all property furnished by Commerce shall remain in Commerce. Title to all property furnished by the Grantee, for the cost of which the Grantee is entitled to be reimbursed as a direct item of cost under this Grant, shall pass to and vest in Commerce upon delivery of such property by the Grantee. Title to other property, the cost of which is reimbursable to the Grantee under this Grant, shall pass to and vest in Commerce upon (i) issuance for use of such property in the performance of this Grant, or (ii) commencement of use of such property in the performance of this Grant, or (iii) reimbursement of the cost thereof by Commerce in whole or in part, whichever first occurs.

- A. Any property of Commerce furnished to the Grantee shall, unless otherwise provided herein or approved by Commerce, be used only for the performance of this Grant.
- B. The Grantee shall be responsible for any loss or damage to property of Commerce that results from the negligence of the Grantee or which results from the failure on the part of the Grantee to maintain and administer that property in accordance with sound management practices.
