BID DUE DATE: July 6, 2018

TO ALL BIDDERS: Please be advised that the following clarifications/changes have been made on Invitation to Bid No. 2065.

QUESTIONS & ANSWERS

1. My question is that if this project includes any asbestos removal?
Response: No.
2. Can you explain how you want estimated hours when we don't know the size of the project or the condition of the rooms? Please clarify?
Response: Estimated Hours per Area (Kitchen, Living Areas, Laundry, Bathrooms, Bedrooms, All Areas) are not required to be filled out.
3. Are green materials going to be paid for separately from the hourly rate?
Response: No, please include cost of materials in your hourly bid.
4. Can you define green materials?
Response: Products that are not harmful to the health of the tenants. Products that are innocuous, non-toxic, and rated with low VOC content or low VOC emissions. When using products and materials, consider using the least toxic product or material feasible to effectively do the job.
5. What Davis-Bacon or prevailing wage classification do we use for residential cleaning?
Response: The county will not be able to provide an answer for this. Bidders should contact Labor and Industries if there is a question related to a prevailing wage classification.
6. Do we need to submit all the forms with our pricing?
Response: Yes.
