

Washington State Emergency  
Management Division  
Public Assistance Program

Are you ready for possible flooding this year? Since 2006, we have experienced sixteen (16) Presidential Disaster Declarations that included storm surge, flooding, high winds, ice storms, landslides, mudslides, and even a tornado. Total costs of emergency measures and repairs to permanent infrastructure were in-excess of \$500,000,000! Are you ready??
