A RESOLUTION of the Board of Directors of Bethel School District No. 403, Pierce County, Washington, providing for the submission to the voters of the District at a special election to be held on February 12, 2019, of a proposition authorizing the District to issue general obligation bonds in the aggregate principal amount of no more than \$443,000,000, for the purpose of paying costs of constructing a new high school to replace Bethel High School, constructing two new elementary schools, renovating and expanding Cedarcrest Middle School, Challenger High School, Graham Kapowsin High School, Evergreen Elementary School, Naches Trail Elementary School and Elk Plain K-8 School, and making District-wide health, safety, security and other improvements, the principal of and interest on such bonds to be payable from annual excess property tax levies; designating the District's Director of Finance and Budget and bond counsel to receive notice of the ballot title from the Auditor of Pierce County, Washington; authorizing a request for a Certificate of Eligibility from the State Treasurer for participation in the Washington State School District Credit Enhancement Program pursuant to chapter 39.98 RCW; and providing for other matters properly related thereto.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF BETHEL SCHOOL DISTRICT NO. 403, PIERCE COUNTY, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Directors (the "Board") of Bethel School District No. 403, Pierce County, Washington (the "District"), takes note of the following facts and makes the following findings and determinations:

(a) Overcrowding (including enrollment demands and State of Washington class size reduction and full day kindergarten initiatives), deteriorating and educationally outdated infrastructure and schools, student safety and security concerns and the institution of new educational programs require the District to: construct a new high school to replace Bethel High School; construct two new elementary schools; renovate and expand Cedarcrest Middle School, Challenger High School, Graham Kapowsin High School, Evergreen Elementary School, Naches Trail Elementary School and Elk Plain K-8 School; and make District-wide health, safety, security and other improvements, all as more particularly defined and described in Section 2 herein (collectively, the "Projects").

(b) The District lacks sufficient money with which to pay costs of the Projects.

(c) To pay costs of the Projects, it is necessary and advisable that the District issue and sell unlimited tax general obligation bonds in the aggregate principal amount of no more than \$443,000,000 (the "Bonds"), or such lesser maximum amount as may be legally issued under the laws governing the limitation of indebtedness or required to carry out and accomplish the Projects.

(d) The District is authorized pursuant to Article VII, Section 2(b) and Article VIII, Section 6 of the Washington Constitution and laws of the State of Washington, including Revised Code of Washington (“RCW”) 28A.530.010, RCW 28A.530.020, RCW 39.36.050 and RCW 84.52.056, to submit to the District’s voters at a special election, for their approval or rejection, the proposition of whether the District shall issue the Bonds to pay costs of the Projects and levy annual excess property taxes to pay and retire the Bonds.

(e) The best interests of the District’s students and other inhabitants require the District to carry out and accomplish the Projects.

Section 2. Description of the Projects. The Projects to be paid for with proceeds of the Bonds, including interest earnings thereon (“Bond Proceeds”) are more particularly defined and described as follows:

(a) Construct a new high school to replace Bethel High School on a site owned by the District located near the intersection of the 70th Ave and 224th Street East Graham, all as determined necessary and advisable by the Board.

(b) Construct a new elementary school (#18) on a site owned by the District and adjacent to the current Naches Trail Elementary School site, all as determined necessary and advisable by the Board.

(c) Construct a new elementary school (#19), including the acquisition of land as a site for the new elementary school, all as determined necessary and advisable by the Board. The term “land” as used herein includes all real property and improvements and other structures thereon and all interests therein.

(d) Renovate and expand Cedarcrest Middle School, Challenger High School, Graham Kapowsin High School, Evergreen Elementary School, Naches Trail Elementary School and Elk Plain K-8 School, all as determined necessary and advisable by the Board.

(e) Make District-wide health, safety, security and other improvements, including, but not limited to: (1) making health and safety improvements to the football/soccer fields at Graham Kapowsin High School and Spanaway Lake High School (including acquiring, constructing and installing synthetic turf and lights); (2) improving and/or upgrading the kitchens at Bethel Middle School and Roy Elementary School; (3) improving and/or upgrading the heating, ventilation and air conditioning (HVAC) systems at Rocky Ridge Elementary School, Camas Prairie Elementary School, Centennial Elementary School and Graham Elementary School; (4) making pedestrian safety improvements at Spanaway Lake High School, Bethel High School and Evergreen Elementary School and at Camas Prairie Elementary (including improving traffic circulation); (5) making District-wide security and energy efficiency improvements; (6) renovating Bethel High School to repurpose it for future educational programs or other District uses; and (7) making other improvements identified in the District’s annual *Capital Facilities Plan*, as approved each year and amended from time to time by the Board, which improvements are incorporated herein by this reference (each annual *Capital Facilities Plan*, including any amendments, to be on file with the District after adoption and thereafter available upon request), all as deemed necessary and advisable by the Board.

(f) Acquire, construct and install all necessary furniture, equipment, apparatus, accessories, fixtures and appurtenances in the foregoing, all as determined necessary and advisable by the Board.

(g) Pay incidental costs incurred in connection with carrying out and accomplishing the Projects pursuant to RCW 39.46.070. Such incidental costs constitute a part of the Projects and include, but are not limited to: (1) costs related to the issuance, sale and delivery of the Bonds; (2) payments for fiscal and legal costs; (3) costs of obtaining ratings and bond insurance; (4) costs of printing, advertising, establishing and funding accounts; (5) payment of interest due on the Bonds for up to six months after completion of construction; (6) necessary and related engineering, architectural, planning, consulting, inspection, permitting and testing costs; (7) administrative and relocation costs; (8) site acquisition and improvement costs; (9) demolition costs; (10) costs related to demolition and/or deconstruction of existing school facilities to recycle, reclaim and repurpose such school facilities and/or building materials; (11) costs of on-site and off-site utilities and road improvements; and (12) costs of other similar activities or purposes, all as determined necessary and advisable by the Board.

The Projects, or any portion or portions thereof, shall be accomplished insofar as is practicable with available Bond Proceeds, together with any other money of the District legally available therefor, and in such order of time as shall be determined necessary and advisable by the Board. Subject to Section 6 of this resolution, the Board shall allocate the Bond Proceeds, together with any other money of the District legally available therefor, between the various parts of the Projects so as to accomplish, as near as may be, all of the Projects. The Board shall determine the exact order, extent and specifications for the Projects. The Projects are to be more fully described in the plans and specifications to be filed with the District.

Section 3. Calling of Election. The Auditor of Pierce County, Washington, as *ex officio* Supervisor of Elections (the "Auditor"), is requested to call and conduct a special election in the District, in the manner provided by law, to be held therein on February 12, 2019, for the purpose of submitting to the District's voters, for their approval or rejection, the proposition of whether the District shall issue the Bonds to pay costs of the Projects and levy annual excess property taxes to pay and retire the Bonds.

If the proposition is approved by the requisite number of voters, the District will be authorized to issue, sell and deliver the Bonds in the manner described in this resolution, spend the Bond Proceeds to pay costs of the Projects, and levy annual excess property taxes to pay and retire the Bonds. The Bond Proceeds may be used, either with or without additional money now available or hereafter available to the District, for capital purposes only, as permitted by law, which may not include the replacement of equipment.

Section 4. Authorization to Issue the Bonds. The Bonds authorized may be issued as a single issue, as a part of a combined issue with other authorized bonds, or in more than one series, all as determined necessary and advisable by the Board and as permitted by law. Further, the Bonds may be issued, as determined necessary and advisable by the Board, as taxable bonds, tax-exempt bonds and/or any other type of bonds that are now or in the future may be authorized under applicable state and federal law.

Each series of the Bonds shall be issued as fully registered bonds; shall bear interest payable as permitted by law; shall mature within 21 years from the date of issuance of such series of the Bonds (but may mature at an earlier date or dates as fixed by the Board); shall be paid by annual property tax levies sufficient in amount to pay both principal and interest when due, which annual property tax levies shall be made in excess of regular property tax levies without limitation as to rate or amount; and shall be issued and sold in such manner, at such times and in such amounts as shall be required for the purpose for which each series of the Bonds are to be issued, all as determined necessary and advisable by the Board and as permitted by law. The life of the Projects to be financed with the Bond Proceeds shall as near as practicable or as otherwise required by law exceed the term of the respective series of Bonds that finance such Projects. The amount, date, denominations, interest rates, payment dates, final maturity, redemption rights, price, and other terms and conditions of the Bonds (or parameters with respect thereto) shall be hereafter fixed by one or more resolutions of the Board authorizing the issuance, sale and delivery of each series of Bonds, which resolutions may delegate to a District officer or employee the authority to fix any of the foregoing, all as determined necessary and advisable by the Board and as permitted by law.

After voter approval and pending the issuance of any series of the Bonds, the District may levy excess property taxes to pay and retire those Bonds and may issue short-term obligations pursuant to chapter 39.50 RCW to pay for any portion of the costs of the Projects. Such obligations may be paid or refunded with the Bond Proceeds.

Section 5. Intent to Reimburse. The Board declares that to the extent, prior to the date the Bonds, or other bonds or obligations (which includes the Bonds, or other bonds or obligations, issued as tax-exempt bonds) are issued to pay costs of the Projects, the District makes capital expenditures for the Projects from money that is not (and is not reasonably expected to be) reserved, allocated on a long-term basis or otherwise set aside by the District under its existing and reasonably foreseeable budgetary and financial circumstances to pay costs of the Projects, those capital expenditures are intended to be reimbursed out of the Bond Proceeds, or proceeds of other bonds or obligations, issued in an amount not to exceed the principal amount of the Bonds provided by this resolution.

Section 6. Sufficiency of Bond Proceeds. If Bond Proceeds are more than sufficient to carry out and accomplish the Projects (the "Excess Bond Proceeds"), and state or local circumstances require, the District may use the Excess Bond Proceeds to: (a) acquire, construct, install, equip and make other capital improvements to the District's facilities; or (b) retire and/or defease a portion of the Bonds or other outstanding bonds of the District, all as the Board may determine by resolution, after holding a public hearing thereon pursuant to RCW 28A.530.020. In the event that the Bond Proceeds, together with any other money of the District legally available therefor, are insufficient to carry out and accomplish all of the Projects, the District shall use the Bond Proceeds and other available money for paying the cost of that portion of the Projects that is determined by the Board most necessary and in the best interest of the District.

Section 7. Use of State Financing Assistance. It is anticipated that the District may receive money from the State of Washington as state financing assistance under chapter 28A.525 RCW with respect to the Projects (the "State Financing Assistance"). The State Financing Assistance shall be used, when and in such amounts as it may become available, to carry out and accomplish the Projects. If the State Financing Assistance is more than sufficient to carry out and

accomplish the Projects (the “Excess State Financing Assistance”), and state or local circumstances require, the District may use the Excess State Financing Assistance to: (a) acquire, construct, install, equip and make other capital improvements to the District’s facilities; (b) retire and/or defease a portion of the Bonds or other outstanding bonds of the District; or (c) provide for other purposes, all as the Board may determine by resolution, after holding a public hearing thereon pursuant to RCW 28A.530.020.

Section 8. Alteration of Expenditures. If the Board shall subsequently determine that state or local circumstances, including, but not limited to, changed conditions or needs, regulatory considerations or incompatible development, should cause any alteration to the specific expenditures from the Bond Proceeds or the State Financing Assistance for the Projects, the District shall not be required to accomplish the Projects and may apply the Bond Proceeds or State Financing Assistance (or both or any portion of each) to: (a) other portions of the Projects; (b) acquire, construct, install, equip and make other capital improvements to the District’s facilities; or (c) retire and/or defease a portion of the Bonds or other outstanding bonds of the District, all as the Board may determine by resolution after holding a public hearing thereon pursuant to RCW 28A.530.020.
