

2019 STRATEGIC ALLIANCE TO STRENGTHEN FAMILY VIOLENCE PREVENTION SERVICES

The exploratory process of the 2019 Strategic Alliance to Strengthen Family Violence Prevention Services Continues:

May 2 at the Pierce County Commission Against Domestic Violence Meeting at **12:10-1:30 p.m.** at the **Tacoma Housing Authority's Family Investment Center (FIC), 1724 E 44th St, Tacoma, WA 98404.**

We need your help to inform us about how to better strengthen family violence prevention services and align resources to ensure equitable, inclusive service delivery.

During the meeting, please plan to:

- Participate in large and small group activities to map the domestic violence and family violence prevention system in Pierce County
- Discuss how to engage system users in the exploratory process

Through these activities we will:

1. Clarify purpose and scope of the exploratory process currently underway
2. Establish a collective perspective of the domestic violence and family violence prevention system in Pierce County
3. Understand opportunities and challenges associated with engaging systems users in the exploratory process

Through this process we are committed to:

- Engaging stakeholders in discussions about system strengths and opportunities for improvement
 - Stakeholders include service providers, community advocates, justice professionals, and clients who use or may need to use the system of services currently in place
- Evaluating data collection, information-sharing and funding processes
- Developing innovative approaches to better align services and resources
- Recommending adjustments to strategically align funding priorities and improve the service delivery system
- Ensuring fidelity to an authentic exploratory process (no predetermined outcomes or recommendations)
