WHEREAS: It is the judgment of the Board of Commissioners of the district that it is essential and necessary for the protection of the health, life and property of the residents of the district that the fire and emergency medical services enumerated in this resolution be provided by the district. Such services will necessitate the expenditure of revenues for maintenance, operations and equipment in excess of those which can be provided by the district's regular tax levy for collection beginning in 2020 and ending in 2023, such excess being not less than \$55,988,000; Now, Therefore,

BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF PIERCE COUNTY FIRE PROTECTION DISTRICT NO. 3, WASHINGTON, AS FOLLOWS:

SECTION 1. The district does not obtain sufficient revenue from its regular property tax levy to provide fire and emergency medical services at the level that it currently provides. The purpose of this special levy would be to provide sufficient funds to maintain the level of services during 2020 through 2023. The funds obtained through the excess levy will be used to pay regular maintenance and operation costs and to maintain the current level of emergency services.

SECTION 2. In order to produce the revenue adequate to pay the costs of providing adequate fire protection and emergency medical services as described in Section 1 of this resolution and to maintain reserve funds sufficient to assure the continuation of such services, the district shall levy in 2019, and collect in 2020, a general tax on taxable property within the district, in excess of the regular levy, for maintenance and operation

costs in the amount of \$13,997,000; the district shall levy in 2020, and collect in 2021, a general tax on taxable property within the district, in excess of the regular levy, for maintenance and operation costs in the amount of \$13,997,000; the district shall levy in 2021, and collect in 2022, a general tax on taxable property within the district, in excess of the regular levy, for maintenance and operation costs in the amount of \$13,997,000; the district shall levy in 2022, and collect in 2023, a general tax on taxable property within the district, in excess of the regular levy, for maintenance and operation costs in the amount of \$13,997,000.

SECTION 3. There shall be submitted to the qualified electors of the district for their ratification or rejection, at a special election on August 6, 2019, in conjunction with the state primary election to be held on the same date, the question of whether or not such levy for maintenance and operations, in excess of the constitutional and statutory limits, shall be made. The Board of Commissioners hereby declares that an emergency exists and the Auditor of Pierce County, as ex-officio Supervisor of Elections, is hereby requested to find that an emergency exists, to call such special election, and to submit the following proposition at such election, in the form of a ballot title substantially as follows:
