

Recount

City of Tacoma – Council-at-Large, Position No. 7

Pierce County Canvassing Board Certification Report | August 28, 2019

As required by RCW 29A.64.021, a mandatory manual recount was conducted for the City of Tacoma – Council-at-Large, Position No. 7. The recount was conducted on Monday, August 26, 2019.

Recount Process

- This recount involved 26,915 ballots contained in 431 batches.
- The recount was conducted by batch.
- Teams of two sorted the ballots in each batch isolating the City of Tacoma ballots.
- Ballots were separated into stacks for each candidate and verified.
- Ballots were recounted by hand by a team of two elections workers.
- Ballots were manually counted twice to confirm the votes for each candidate.
- Vote totals from the hand recount were compared to the batch total from the original batch count.

Recount Outcome

The outcome of the recount confirmed the original results certified on August 20, 2019. The amended abstract reflects one less vote for Johnson and one additional undervote. The recount identified one vote in precinct 27-427, where the voter marked the oval, then made a correction by striking through the voter's name and not making another choice. This correction was not detected during the visual scan opening process nor the review of this race by election administrators during the original count.

Recount Cost

Recount costs will be compiled and finalized after certification. Costs will mainly consist of direct labor for full time staff and part-time election workers. Preparatory, sorting, and counting time are included, as well as any direct supply and advertising costs. This was a mandatory recount, the jurisdiction (City of Tacoma) will be responsible for the cost of the recount.
