

**PC EMS COUNCIL
PROTOCOL REVIEW COMMITTEE MINUTES
MAY 29, 2019 – 8:00 AM**

Attendance:

Membership Attendance Roster is on File.

Call to Order:

The meeting was called to order at 8:00 am by Karmela Palmer. Introductions were made around the room. Meeting minutes from March 27, 2019 were voted on and accepted as written.

Unfinished Business:

A. 'App' Progress – Acid Remap

Norma Pancake said that the contract with the county is in the contract loop and should be returned soon. It will be implemented at that time.

B. MOPED Cards – Dr. Freidrick & MBCH

Dr. Freidrick stated that improvements have been made to the cards after insight was received from Dr. Mahoney of Mary Bridge. A suggestion was made to do a survey of the concentrations each jurisdiction has. WPFR is currently finishing up the formatting. Necessary changes should go through Dr. Waffle's Office. Once the final review is complete, they will be sent to PCEMS Office to put on the website for all jurisdictions to access. The expected roll out date is July 1, 2019.

New Business:

A. Blood Product Use in Field – Dr. Gates

Dr. Gates presented the concept of using whole blood in the field and requested permission to investigate this as a future therapy in the field. Dr. Gates was asked to prepare and present at the next protocol committee meeting, a proposed protocol page as well as the operational procedures on the acquisition and use of whole blood products in the field. Norma will send the current draft of the interfacility transfer blood products protocol page to Dr. Gates.

B. Ketamine Use Review – Dr. Misner

Will be covered at the next meeting.

C. Beta-Blockers (from MPD BS Meeting)

Will be covered at the next meeting.

Unscheduled Business:

None

Announcements:

The committee voted to cancel the July meeting. The next meeting will be on September 25, 2019

Adjournment:

Meeting Adjourned @ 9:06 AM.
