Re: King County Superior Court litigation challenging Initiative 976

Dear Ms. Robnett,

Confirming our conversation yesterday, I am requesting the Pierce County Prosecutor's Office promptly intervene in the current King County Superior Court litigation in order to defend the validity of I-976. Pierce County voters overwhelming favored I-976 and I believe that it is critical that their voice be included in the defense of the initiative.

As discussed with County Council Chair Richardson, I understand that the Council will consider this matter at their December 10<sup>th</sup> Council meeting.

Sincerely,
