

NORTH LAKE TAPPS PARK – MAP

- The boat launch and trailer parking are open for public use. Launch parking is \$15.00, and we are asking boaters to limit their stay to 4 hours to allow others to use the launch and enjoy the lake.
- Restrooms throughout the park are open and available for use. The west and central peninsulas are both closed for public use through the month of June and parking at the north and east adjacent to these areas are also closed.
- Vehicle parking is \$7.00 and \$3.50 for seniors, however due to the limited space available, we are asking visitors to limit their stay to 2 hours.
