

PIERCE COUNTY

CANCER SURVIVORSHIP CONFERENCE

One Day. Survivors & Caregivers. Free To All.

The Pierce County Cancer Survivorship Conference is an annual event to support and celebrate the community of cancer patients, survivors, and caregivers in the South Sound. Join us to hear speakers share their inspirational stories about the physical, mental and spiritual aspects of their journey, with all of those affected by cancer.

WEDNESDAY, AUGUST 5, 2020

Held virtually from 11:30am to 2:30pm

Due to the coronavirus pandemic, we have shifted to an online format for the 2020 conference. The decision to host a virtual event will help keep our community safe and increase accessibility.

Registration and more information at www.pccancersurvivorship.org

In Partnership With:

American Cancer Society • Diagnostic Imaging Northwest • Northwest Medical Specialties • TRA Medical Imaging
