Visiting the Development Center

We have implemented a new reservation system for customer meetings and in-person services. Reserve your table in our lobby where you can wait for the permit technician, planner, biologist or engineer you need to meet with. The length of your meeting will depend on the complexity of the project and the number of staff you'll need to see.

1. **Determine if you can conduct your business online, if not...**
   - Go online to reserve your spot in the lobby, or walk-in.

2. **Reserved**
   - Stop at the counter.

3. **Gather relevant information and documents to bring with you**

4. **Bring your cell phone to the meeting**

5. **Check-in at the counter**

6. **Repeat steps 7 & 8 until you've seen everyone**

7. **Have a seat at your reserved table**

8. **Wait for a text to visit a window for assistance**

9. **Repeat steps 7 & 8 until you've seen everyone**

**Lobby Hours**
9 a.m. - 2 p.m.

**Save Time Online**
Most of our services, including permitting functions, application intake and review, some types of inspections and live chat are available online at:
[pcpermits@piercecountywa.gov](mailto:pcpermits@piercecountywa.gov)

**Contact Us**
